Hi, Risa,

It's so good to hear from you! I am so sorry for the loss of your dad. It seems it was a long time coming, but this loss is never, ever easy. He was a special person in my life, too.

I also still remember your visit. It was a fun time for me, and you showed me how to "put up a bridle" correctly. I still have horses and dogs, many more dogs than horses, and fox hunt during the season. They do keep me busy. I have lunch with Steve Dean fairly often. Yesterday we had maki rolls and sake and toasted your dad. He was special for Steve, too.

Unfortunately, I have all but lost touch with Kathrynne. She is retired now and moved to California. I had hoped to see her on that same cancelled trip.

Where are you now? Are you practicing medicine? And how about your brother and sister?

Please give your mother my love. I will be thinking about you all as you get through these days and weeks.

Much love,  
Anne
